EXPERIENCE

ATEAM SOFT SOLUTIONS, MARTHANDAM (MAY 2024 – SEPTEMBER 2024)

I am a React.js frontend developer with hands-on experience in web development. I work with HTML, CSS, and JavaScript, focusing on backend systems and collaborating with skilled teams to build robust

PROJECTS

ATeam Website and Facebook Layout – Developed a responsive website and a Facebook-style layout using HTML, CSS, JavaScript, and Bootstrap. The project focused on creating an engaging, user-friendly design that enhances interaction and accessibility.

Student Management System – Built a student management application using React.js. This project included features for managing student data, tracking progress, and generating reports. React.js was used to create a responsive and interactive interface. Making it easy to use and efficient.

FRONT- END DEVELOPER (Intern)

ICORE PIONEER BUSINESS SOLUTION PRIVATE LIMITED TECHNOPARK CAMPS TRIVANDRUM

(MAY 2023 – JUNE 2023)

PROJECT

Personal Portfolio Website – Created a responsive portfolio to showcase my skills, projects, and experience using HTML, CSS, JavaScript, and Bootstrap. The site features a modern design with smooth navigation and interactive elements, providing a clear and professional display of my work.

FINAL YEAR PROJECT

Alumni Management System

This project is developed using HTML, CSS, Bootstrap, and JavaScript Front End. PHP and MySQL as Backend.
